JARED BRITTON PLATT

Gilbert, Arizona | (480) 532-6217 | brittonplatt@icloud.com | linkedin.com/in/brittonplatt83a084385

SUMMARY

Results-driven media production professional and entrepreneur with experience in video editing, lead generation, market research, marketing analytics, and business operations. Managed large-scale medical content projects, generated qualified sales leads across multiple U.S. markets, and built client-focused businesses from the ground up. Co-founder and COO of a campus food venture that led an 18-person team to $20,000 in revenue in a single semester while remaining profitable. Founder of ventures in video post-production and media preservation, including the digitization, editing, and return of family film slides. Skilled in strategic planning, operational efficiency, market analysis, and team leadership.

EXPERIENCE

Post-Production Video Editor August 2025 – Present
Barrow Neurological Institute, Phoenix, AZ

- Generated over 500,000 YouTube views within 90 days for Base Camp Season 4.
- Collaborated with physicians to produce educational content while maintaining confidentiality of sensitive medical information.
- Produced projects such as the 2026 Attendee Graduation Video, which was well received and presented at graduation ceremonies attended by residents, neurologists, and invited guests.

Founder, Owner, and CEO March 2026 – Present
Platt Ventures (transitioning to a sole proprietorship), Gilbert, Arizona

- Operate a video editing company specializing in post-production services, with plans to expand its client base and service offerings.

Founder, Owner, and CEO May 2026 – Present
Memory Keep, a Platt Ventures subsidiary, Gilbert, Arizona

- Preserve family history by digitizing and editing vintage film slides, then returning them to customers as digital collections that can be viewed and shared for generations.

Contract Drone Photographer & Video Editor April 2026 – Present
Fair & Square Pool Builds, Chandler, AZ

- Capture, edit, and deliver aerial and ground-level photo and video of newly built residential pools for a licensed Arizona pool builder, across Southeast Valley and Pinal County communities.
- Manage the full workflow independently, from scheduling and flight to color correction, retouching, delivery, and invoicing, while carrying a full course load.

Lead Generation Intern April 2026 – Present
Kenjoh Outdoor Marketing, Gilbert, Arizona

- Generated over 1,000 leads to date for the sales team to contact regarding billboard advertising opportunities, using Google Street View and proprietary methods.
- Conducted market research across approximately 10 markets throughout the United States.

Lead Generation Intern April 2026 – Present
Charity Golf Today (Dixon Golf subsidiary), Gilbert, Arizona

- Conducted market research and established connections with marketing agencies such as IMG and AAC on behalf of Charity Golf Today.
- Attend weekly reporting meetings with the company President.

Co-Founder and COO
September 2025 – December 2025

The Hungry Cub, Idaho

- Generated approximately $20,000 in semester revenue while serving roughly 80 customers daily.
- Led an 18-person team across kitchen and service operations.
- Reduced company waste by 93% through improved inventory systems.
- Cut inventory counting and stocking time from five hours to 45 minutes.

Sales Representative
November 2025 – Present

CUTCO Cutlery, Idaho

- Generated direct-to-consumer sales through product demonstrations.
- Strengthened consultative selling techniques.

Full Commission Sales Representative
April 2025 – August 2025

Aptive Environmental, Alexandria, VA

- Achieved top-performing rookie status with an average contract value of approximately $1,500.
- Sustained an average contract value of approximately $1,200.
- Maintained 72-hour workweeks in a highly competitive sales environment.
- Built a professional network with high-level sales leaders.

Customer Service and Janitorial Staff
September 2014 – Present

V's Barbershop, Chandler, AZ

- Assisted approximately 250 customers daily in a high-volume environment.
- Repaired equipment to reduce operational downtime.
- Resolved scheduling conflicts and trained new staff on safety procedures.

EDUCATION

Bachelor's in Business Management & Marketing
January 2021 – Expected December 2026

Brigham Young University – Idaho, Rexburg, ID

- Accelerated degree completion, earning associate's and bachelor's degrees in under two years of elapsed time while maintaining a GPA above 3.7.

MARKET RESEARCH PROJECTS

Billboard Advertiser Market Deep Dive

Kenjoh Outdoor Marketing

- Researched and documented approximately 2,900 advertisers across 13 U.S. markets, recording each billboard's type (static or digital), owner, and advertiser to build organized, sales-ready lead lists assigned to the sales team.

Category-Based Prospect Research by Market

Kenjoh Outdoor Marketing

- Compiled approximately 18,000 local business prospects across 13 U.S. markets in ten target categories, including personal injury law, plastic surgery, home services, healthcare systems, car dealerships, and higher education; color-coded each prospect by Better Business Bureau rating status (A or B, unrated, C or lower, or Google-only) to help the sales team prioritize reputable businesses.

ACADEMIC PROJECTS

Marketing Analytics Dashboard (Excel)

- Built an Excel marketing analytics dashboard analyzing 154 campaigns across four marketing channels; leveraged IF, COUNTIF, and AVERAGEIF to evaluate conversion rates, spend per click, marketing contribution, budget performance, and campaign effectiveness—identifying top-performing channels and supporting data-driven marketing recommendations.

LEADERSHIP EXPERIENCE

Executive Secretary March 2022 – February 2024
Guatemala-Cobán-Belize Mission, Guatemala

- Managed immigration compliance for 300+ international volunteers.
- Coordinated operations across Guatemala and Belize.
- Strengthened 12 congregations through leadership mentoring and led 2 congregations in planning and organization.
- Developed professional Spanish fluency.

SKILLS & LANGUAGES

Software: Adobe Premiere Pro, Final Cut Pro, After Effects, Excel (IF, COUNTIF, AVERAGEIF)

Business: Operations Management, Strategic Planning & Execution, Cross-Functional Team Coordination, Data-Driven Decision Making, Organizational Development, Logistics Management, Business Development, Executive Leadership
